3. Account basics

Availability of Products

- 3.1. All of our Products are subject to availability and, from time to time, we may be unable to offer you a specific Product or open an account once you have submitted an application. Where this happens, we will contact you to advise you of any alternative options available.

Eligibility

- 3.2. To open any Castle Trust Bank Account, you must:
- be 18 or older;
 - be a UK resident;
 - have a National Insurance number or equivalent Tax Identification Number;
 - have a UK mobile number and a valid email address; and
 - have a UK based current account in the name of one or both accountholders (your **Nominated Account**).
- 3.3. When applying for a joint account we will require details of both applicants at all stages of the process.
- 3.4. The Products are currently offered only to private individuals and not to companies, partnerships, LLPs, any other entity for commercial purposes, charities and not-for-profit organisations.

Application

- 3.5. Most Products can be applied for by the following methods:
- online by visiting the Castle Trust Bank website at www.castletrust.co.uk;
 - if you are an existing Castle Trust Bank customer, online via the Self Service Portal or Mobile App;
 - by phone, calling us on 0808 164 5000, Monday to Friday 9am to 5pm; and
 - by post, as detailed on the application form.
- 3.6. Please note that you may not be able to use all of these options for certain Products. Please refer to the relevant Product Specific Terms and Conditions for the application process applicable to a relevant Product.
- 3.7. You may only apply for an account in your own name (or joint names). An authorised representative is not able to open an account on your behalf, and can only be added once the account is opened.
- 3.8. As part of your application you are required to sign up for online banking. If you have applied by phone, you will be sent details of how to set up your online account in your welcome pack.

Authorised representatives

- 3.9. You can authorise another person to run the account on your behalf (for example by appointing a Power of Attorney). If you do, we will deal with your authorised representative as if it were you for the purposes of these Terms and Conditions.

After application, you may also add a third-party representative to talk to us about your account, however we would need to be instructed directly from you.

Onboarding

- 3.10. When you apply for any of the Products, you will be requested to provide the following basic personal information for all accountholders:
- your name;
 - date of birth;
 - National Insurance number or equivalent Tax Identification Number;
 - current address;
 - address history for the previous three months prior to the application; and
 - contact details (email address and phone number).
- 3.11. If you are the second applicant on a joint application, once the application is successful and the account has been opened, we will send you a letter by post providing you with the online banking credentials.
- 3.12. We will use the information provided at the time of application to carry out checks that are required for regulatory purposes including, but not limited to:
- Identity verification;
 - Fraud detection;
 - Anti-money laundering checks; and
 - Bank account ownership checks.
- (each a "**Verification Check**" and together, the "**Verification Checks**").

- 3.13. If the Verification Checks are unsuccessful, depending on the nature of the failure and on a case-by-case basis, we may:
- open your account, but not make it fully operational; or
 - contact you to request further information.
- 3.14. We reserve the right not to offer a Product or open an account based on the information we have collected or upon unavailability of any of the Products. Where we decide not to open an account, we may not always be able to share the reason with you.
- 3.15. While we endeavour to open an account as quickly as possible, we do not accept liability for loss of interest if the reasons for any delay are out of our control, while we conduct our Verification Checks or if we reject or are unable to accept your application.
- If an error is made or there are delays that are within our control, we will take reasonable steps to ensure that you are not financially disadvantaged.

Paying into or from your account

- 3.16. There is a minimum and maximum funding limit for each Product (please see the section "*Account limits*").
- 3.17. Not all methods of funding are available for all Products. You should refer to the relevant Product Specific Terms and Conditions for detailed terms applicable to each Product.
- 3.18. If payment is received outside of normal working hours, it will be applied the following working day.
- 3.19. Payment must be funded from either the **Nominated Account** or another eligible Castle Trust Bank account held in your name.
- 3.20. ISA Products may also be funded by ISA Transfer, subject to this funding method being available at the time of application. Please check our website to see if ISA Transfers are available.
- 3.21. If we have reason to believe a payment to or from your account might break any law, regulation or sanction, we reserve the right to accept or reject the payment or delay processing the payment until further Verification Checks are satisfied. We may not always be able to notify you of a delay, or advise you of the reason for delay

Account limits

- 3.22. Each Product has a minimum and maximum funding limit. Please refer to the Summary Box at www.castletrust.co.uk for details of the limits on each Product.
- 3.23. You can accrue interest above the maximum balance amount; however, you cannot place money into your account greater than the maximum balance value.
- 3.24. You can hold a maximum balance of £1,000,000 across your accounts per Household.
- 3.25. ISA Subscription limits are subject to current ISA rules.
- 3.26. Withdrawal requests that would result in the account balance falling below the minimum balance for the Product will be treated as a request to close the account and we will return the remaining money to you. The minimum balance for each Product is detailed within the relevant Summary Box.
- 3.27. Please refer to the Product Specific Terms and Conditions for detailed terms applicable to each individual Product.

Statements

- 3.28. We'll provide statements annually on the anniversary of the opening of your account. For **Fixed Rate Accounts** and **Fixed Rate e-Accounts**, we will also provide a statement at the end of the fixed period. You can also request a statement at any time using a contact method appropriate to your account, or download a statement online.

Changing your mind

- 3.29. If you decide not to continue with your account within the Cooling Off Period, we will return the money to you in the same way we received them. If, for any reason, we are unable to return the money this way, we will send you a cheque.

Closing your account

- 3.30. If you decide to close your account outside of the **Cooling Off Period**;
- for **Fixed Rate Accounts** or **Fixed Rate e-Accounts**, we will calculate the amount due to you taking into account any applicable Product Specific **Early Exit Fees** or **ISA Early Exit Fees**.

If the fee exceeds interest accrued to that date, please note you may receive less money back than you originally deposited.

These fees are still applicable if you are closing an existing account to open a new **Fixed Rate Cash ISA**, or **Fixed Rate e-Cash ISA**, with us.

Once calculated, the balance of the money will be transferred to your **Nominated Account** or another eligible savings account with Castle Trust Bank.

- 3.31. For full details on when and how you can close your account, please refer to the relevant Product Specific Terms and Conditions.

When we can close your account

- 3.32. We reserve the right to close your account immediately and without notice, if you:
- no longer meet our eligibility criteria for that specific Product;
 - have given us false or misleading information;
 - have used (or could be using) the account for an illegal purpose, or allowed someone else to do this; or
 - instruct us to do something that would cause us to break any law, regulation or sanction or that would result in a **Cancellation Event**.
- 3.33. Upon the occurrence of a **Cancellation Event**, we may not return the money into your account, or in the event that we do return the money into your account, the payment may not include interest.

4. Obligations and liabilities

- 4.1. You must notify us as soon as is practicably and reasonably possible if you believe there has been an unauthorised transaction on your account, or your security details have been compromised. Our contact details are set out in section 2.3 of these Terms and Conditions.
- 4.2. You will be liable for any losses arising from unauthorised transactions if you:
- have acted fraudulently; or

 - have deliberately or with gross negligence failed to keep your password or other security information secret and/or safe.
- You will not be liable for any losses arising as a result of gross negligence, deliberate breach of our obligations or fraud by us.
- 4.3. Where written instructions are provided, we shall take reasonable steps to confirm that those instructions are genuine which may include contacting you by telephone or electronic means. If in any case we agree to accept instructions by telephone or electronic means, having taken reasonable steps to identify them, we may assume the identity of the caller or sender is genuine, unless it shall be obvious that he or she was not a genuine caller or sender.
- 4.4. If we cannot provide our service due to abnormal and unforeseen circumstances beyond our control we will, where possible, take such reasonable steps as we can to bring those circumstances to an end. We shall not be liable for any losses or expenses suffered by you as a result of such circumstances or as a result of a delay or failure in the provision of our services caused by such circumstances.
- 4.5. We do not accept liability for any scenario where the value of your account could have been increased, or where the value of your account was reduced through delays incurred outside of our control, or by delays arising through our carrying out Verification Checks or otherwise taking reasonable steps to comply with our regulatory or contractual obligations.

Records of instructions we've received

- 4.6. We keep written records of all the instructions received from you and record all of the telephone communications.
- 4.7. In case of a dispute or a complaint, unless there's an obvious error, our own records of what you've asked us to do are conclusive.

Tax status

- 4.8. We currently report to HMRC and in order to meet our tax reporting obligations we may need to disclose your personal information.
- 4.9. It is your responsibility to tell us if you are required to pay tax or report to tax authorities in other countries. If your circumstances change and impact your tax status please let us know straight away.

5. Transferring the agreement and waiving our rights

When the agreement may be transferred

- 5.1. We can transfer any of our rights and duties under this agreement to another person. We may also arrange for any other person to carry out our rights or duties under this agreement. This will not affect your rights under this agreement or your legal rights.
- 5.2. In the event that we transfer our rights or duties, you may read these General Terms and Conditions such that any reference to "we", "us" or "Castle Trust Bank" in this agreement also means the party/parties we have transferred our rights or duties to.
- 5.3. You may not transfer or charge the benefit of this agreement to anyone else.

Waiving our rights

- 5.4. In the event that you do not operate your account within the agreed terms and conditions, we may pursue the recovery of any losses arising from your actions. Even if we decide not to take action at the time, we reserve the right to take action at any point in the future.

- 7.3. If you have a complaint and aren't satisfied with how we deal with it or it's been over eight weeks since you raised it, you can refer your complaint to the Financial Ombudsman Service. There are details of how to do this at www.financial-ombudsman.org.uk but we'll also give you these details at the time.

Our supervisory authority

- 7.4. We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Our Financial Services Register number is 541910.

Compensation scheme

- 7.5. Your account is protected by the Financial Services Compensation Scheme (FSCS). The current FSCS limit (£85,000) relates to the combined amount in all of your accounts with Castle Trust Bank, including your share of any joint account, and not to each separate account.
- 7.6. You can find out more about how the scheme works, and how much of your savings this covers in the FSCS information sheet in your welcome pack, or by visiting www.fscs.org.uk.

I 8. Online and mobile banking

- 8.1. With online banking and mobile banking, you can access information about your account, give us instructions, set up alerts and use other functions that we make available from time to time.
- 8.2. We will provide or ask you to set security details for access to online banking and mobile banking. These could include a password, security code or memorable information. We may change these requirements at any time.
- 8.3. If you are a joint accountholder, each person named on the account can register for online banking and mobile banking. Each joint accountholder will have separate security details to access and use the service.
- 8.4. You can access online banking by logging on at our website www.castletrust.co.uk.
- 8.5. You can access mobile banking using the Mobile App (available on Android and iOS).
- 8.6. Between the hours of midnight and 7am the Self Service Portal will show the status and balance of your account as at midnight. During that time, you will not be able to make amendments to your accounts, add or withdraw your money, transfer money, change details or open additional accounts.

I 9. The mobile banking app end user licence agreement

- 9.1. You use the mobile banking app under licence from us on the terms set out below. This licence is non-transferable, non-assignable and non-exclusive.
- 9.2. You are not permitted, and will not be able to download, install or use the Mobile App on a device which has been jail-broken, rooted or which has had its security settings compromised in any other way. Jail-broken or rooted means that the device has deliberately had its security settings changed, making it less secure and more vulnerable to fraudulent attacks. If we detect that your device has been jail-broken, rooted or had its security settings compromised in any other way we shall be entitled to prevent you from using the mobile banking app.
- 9.3. In using the app, you must:
 - a. use the app only on a device that you own or control and only to access the mobile banking service;
 - b. not sub-licence, assign or claim to exercise any rights in relation to the app;
 - c. not copy or reverse engineer, amend, alter or adapt any part of the app, and
 - d. accept the terms of this licence without making any amendment to them.
- 9.4. The licence commences when you first install the Mobile App and will continue until you stop using mobile banking. If you stop using mobile banking, you should delete the Mobile App from your devices. By using the app, you will be deemed to accept the terms of this licence.
- 9.5. Any updates to the Mobile App will be made available through the Apple App Store and Google Play or other application stores the Mobile App is available from. We will not be responsible for providing updates to you in any other way.
- 9.6. We are solely responsible for the Mobile App and should you wish to raise any complaint concerning the operation of the Mobile App, you should contact us rather than the relevant app store.
- 9.7. If a third party claims that the Mobile App or your use of it infringes their rights, you will give us any reasonable assistance we require to investigate and defend that claim.
- 9.8. By using the Mobile App, you confirm that you are not located in a country which is subject to any embargo by the United States of America ("the US") or which is considered a terrorist-supporting country by the US and you are not prohibited from accessing the app as a result of being listed on any US Government restricted parties lists.
- 9.9. You understand that by using the Mobile App the authorised app providers and their subsidiaries are third party beneficiaries of the licence and may enforce the licence in this capacity.

I 10. Access to online and mobile banking

- 10.1. We may make changes to the way that the services are accessed at any time. We will tell you about such changes by either placing a message on our website, via your mobile device, or by text, email or post.
- 10.2. You are responsible for maintaining your computer or mobile device, for ensuring that it is compatible with the particular service and for downloading the latest version of the app.
- 10.3. Occasionally, we may need to carry out maintenance that could limit the availability of the services. As far as is possible, we will provide you with advance notice of any scheduled maintenance. While we will limit service downtime, we do not accept liability for any losses arising from the services being unavailable.
- 10.4. We shall use reasonable endeavours to keep the services free from viruses and corrupt files but cannot guarantee this. You should ensure that you have appropriate anti-virus software installed on any computer or mobile devices that you use to access the services. We shall not be liable for any loss or damage you suffer if your device is infected by a virus or corrupt file unless such loss or damage is the direct result of our negligence or deliberate default.

I 11. One time passcodes

- 11.1. In order to access many aspects of the services you will need to register your mobile phone number and email address to receive one time passcodes (“**OTP**”) that we will send to your phone or email address. You will need to input this code to verify and complete certain transactions.
- 11.2. You must take all reasonable precautions to prevent anyone else from accessing the passcode and must never disclose it to anyone, even if they claim to be our employees or agents or the police. We will never ask you to disclose your OTP.

I 12. Security

- 12.1. You must take reasonable security precautions to keep your account safe when using mobile banking or online banking, including:
 - a. not choosing a PIN or other security details which may be easy to guess, such as your date of birth;
 - b. memorising security details or writing them down only in a way that cannot be understood by others (you should not store them on your device);
 - c. only providing security details to us when asked through mobile banking or online banking (we will ask for details if you call us but will never ask for them over email);
 - d. only responding to an email if you are confident it came from us (we will address emails to you personally and quote your postcode or last four digits of the account number to identify ourselves);
 - e. only accessing our mobile banking or online banking service via our website or app (you should never go to our online banking service from a link in an email and enter your security details);
 - f. ensuring any information shown or stored on your device is kept secure, that the device is locked when you are not using it and that you log out when exiting the service;
 - g. protecting your device with up-to-date anti-virus and firewall software; and
 - h. not accessing your account from a device using public Wi-Fi.
- 12.2. Our digital services may use your location data or information about your device in order to prevent and detect fraud. For example, we may check if you are in the country where your payments are being made in instances where we suspect fraud on your account. We will not use this information for any other purpose.
- 12.3. Further details on keeping your accounts safe can be found on our website and at www.getsafeonline.org. You must follow any other the guidance we give you about keeping your security details and mobile device or computer secure.
- 12.4. If you receive a suspicious email please do not open it or click on any links contained within it, instead report this immediately by forwarding the email to savings@castletrust.co.uk.
- 12.5. You must contact us immediately if:
 - 12.5.1. you believe someone else knows your security details or think they have been misused;
 - 12.5.2. you change your phone number;
 - 12.5.3. your phone is lost or stolen; or
 - 12.5.4. you have received a text or email confirming a change to your account and you have not asked to change your details.
- 12.6. If you don't follow these procedures, we may withdraw or suspend your ability to access online banking or mobile banking until we are satisfied that your account is secure.

I 13. Using the service abroad

- 13.1. Online banking and mobile banking services use a high level of encryption, which may be illegal in some countries outside of the UK. You should not access the services from countries where this is not permitted by local law. We shall not be liable for any loss, damage or other outcome suffered by you as a result of you breaking any local law by using the services from outside the UK.

I 14. Termination and suspension of services

- 14.1. You can cancel your online banking and mobile banking service for all accounts other than Fixed Rate e-Accounts or Notice e-Accounts at any time by calling us or writing to us at Castle Trust Bank, PO Box 78430, London, N17 1HE. In the case of Fixed Rate e-Accounts and Notice e-Accounts, the online banking service cannot be cancelled.
- 14.2. If you cancel online banking, you will not be able to access any online-only accounts and you will no longer be able to use mobile banking.
- 14.3. You can end your use of mobile banking at any time by deleting the app from your device.
- 14.4. We may terminate your use of any services at any time by giving you at least two months' written notice (including email or text alerts). If we are notified of the death of the accountholder, we will cancel their services immediately.

If we terminate or suspend your use of your accounts in accordance with the account terms, we may also terminate your use of any services.

I 15. Bereavement

- 15.1. In the event of Castle Trust Bank being notified of death of an accountholder, we commit to dealing with the situation in a compassionate and understanding manner.
- 15.2. When notified of a death associated with an account we will ask the notifier to provide legal documents a) evidencing the death; and b) confirming the authority of the executor on the account. - 9.1. You use the mobile banking app under licence from us on the terms set out below. This licence is non-transferable, non-assignable and non-exclusive.
- 9.2. You are not permitted, and will not be able to download, install or use the mobile app on a device which has been jail-broken, rooted or which has had its security settings compromised in any other way. Jail-broken or rooted means that the device has deliberately had its security settings changed, making it less secure and more vulnerable to fraudulent attacks. If we detect that your device has been jail-broken, rooted or had its security settings compromised in any other way we shall be entitled to prevent you from using the mobile banking app.
- 9.3. In using the app, you must:
- use the app only on a device that you own or control and only to access the mobile banking service;
 - not sub-licence, assign or claim to exercise any rights in relation to the app;
 - not copy or reverse engineer, amend, alter or adapt any part of the app, and
 - accept the terms of this licence without making any amendment to them.
- 9.4. The licence commences when you first install the mobile app and will continue until you stop using mobile banking. If you stop using mobile banking, you should delete the mobile app from your devices. By using the app, you will be deemed to accept the terms of this licence.
- 9.5. Any updates to the mobile app will be made available through the Apple app store and Google Play or other application stores the mobile app is available from. We will not be responsible for providing updates to you in any other way.
- 9.6. We are solely responsible for the mobile app and should you wish to raise any complaint concerning the operation of the mobile app, you should contact us rather than the relevant app store.
- 9.7. If a third-party claims that the mobile app or your use of it infringes their rights, you will give us any reasonable assistance we require to investigate and defend that claim.

- 9.8. By using the mobile app, you confirm that you are not located in a country which is subject to any embargo by the United States of America ("the US") or which is considered a terrorist-supporting country by the US and you are not prohibited from accessing the app as a result of being listed on any US Government restricted parties lists.
- 9.9. You understand that by using the mobile app the authorised app providers and their subsidiaries are third party beneficiaries of the licence and may enforce the licence in this capacity.

I 10. Access to online and mobile banking

- 10.1. We may make changes to the way that the services are accessed at any time. We will tell you about such changes by either placing a message on our website, via your mobile device, or by text, email or by post.
- 10.2. You are responsible for maintaining your computer or mobile device, for ensuring that it is compatible with the particular service and for downloading the latest version of the app.
- 10.3. Occasionally, we may need to carry out maintenance that could limit the availability of the services. As far as is possible, we will provide you with advance notice of any scheduled maintenance. While we will limit service downtime, we do not accept liability for any losses arising from the services being unavailable.
